Specialty Camps! More Activities!

This summer, look for new games and activities, more field trips, more swimming, and more fun! Plus! Expanded **specialty camps**. See pages 3 & 4.

NEW This Summer!

- Enjoy new opportunities to meet and interact with your child's **counselors!** From information about each counselor's skills and abilities, to fun meet and greet events, you and your child will feel at ease in our care this summer even before camp starts!
- Enjoy more **detailed information about trips, activities, and events** — information which comes your way a week ahead!
- New activities for all ages and more camper input.

Great Fun! Great Value!

Our Summer Camp is in full swing from 9AM until 4PM, Monday through Friday, with lots of fun things for your child to experience each day.

In addition to a high-quality summer camp experience, we also offer before and after camp care at no additional charge!

Save \$40 Each Day!

From 7 to 9AM and from 4 to 5:30PM, we care for your child before camp starts each day and after it ends each day **at no additional charge**. That's a savings of at least \$40 each day for each child.

Save \$100!

With our sibling savings option, you save more for each additional child you send together to camp. For each additional child who attends camp, you save \$10 a week! That's a savings of \$100 for each child who spends the summer at the Y!

Financial Assistance

We offer financial assistance for those who need help to afford summer camp. Please call us today to learn more. 518.731.7529 x 1610.

Safety Comes First

Our day camps meet the highest health and safety standards of the Y and the NYS Health Department.

Camps are inspected twice each year by the Department of Health and files are available for inspection at your county health department office.

First Aid equipment is on site and staff are trained in First Aid and CPR.

Day Camp

Entering Grades K – 6

We help your child build confidence while enjoying a variety of programs and activities that encourage your child to develop independence while learning new skills. Campers enjoy swimming, sports, art, and special events.

Children enjoy fun activities that allow for physical involvement, social interaction, educational opportunities, leadership building, personal growth and creativity. Campers are divided into groups by age, with activities appropriate to the interests and needs of each group. Each week has a fun theme, and several weeks include a field trip!

Children engage in community building projects and many opportunities for personal growth with our focus on **discovery, hands-on education**, and enriched learning opportunities.

Field Trip Fun!

Our Day Camp includes fun field trips! Children enjoy trips to the New York State Museum, New Baltimore Conservatory and more!

Drama Camp

Grades K – 2 • Week 5

Grades 3 and up • Weeks 3 & 7

Our welcoming, encouraging atmosphere is designed to help your child develop her/his creativity and confidence while creating and performing in a production. No previous experience with drama, chorus, or dance needed.

With the guidance of trained instructors, your child will rehearse daily, and assist in making costumes, scenery and props. At the end of the week, campers perform their production for a live audience of family and friends.

Inventors Camp

Grades K – 8

STEM-Focused camp for your little inventor! Children are wonderfully creative and this camp lets them use their creativity to invent! We're building the future, one thinker at a time. Your little one will love this action-packed week! Each day, campers work in teams, rotating to different fun stations throughout the day. Each station offers a fun new challenge for your camper. Children will experience prototype building and use every-day recycling materials to create gears and gadgets while being creative and applying critical thinking to help them problem solve real-world problems.

USTA 10 and Under Tennis Lessons

9 – 10AM

Grades K – 8

Weeks 1, 2, 8 and 9

Our certified instructors introduce your child to the joys of tennis. With 10 and Under Tennis, balls bounce lower, don't move as fast through the air, and are easier to hit. Children's tennis racquets are sized for small hands and courts are smaller and easier to cover.

Using this format, within a short time kids are rallying, playing, and excited to keep playing. Kids have more fun and less frustration as they play real tennis!

Soccer Lessons

10 – 11AM

Grades K – 8

Weeks 1, 2, 8 and 9

Your child will love this opportunity to learn the fundamentals of soccer within a caring and supportive environment that focuses on the value of teamwork and fair play. Children learn the various positions, how to dribble the ball, shooting and defending the goal. This is a fun way for children to develop their motor skills and their love of sports.

Counselor-in-Training (CIT) Program

Ages 13 – 15

We offer your teen the opportunity to develop leadership and social skills that will help your child in school and in life. CITs learn skills to help them manage conflict, lead others, and build a strong team. Please **call today** to learn more about enrolling your teen in our CIT program.
